

The book cover features a vibrant blue background with a crinkled, fabric-like texture. Overlaid on this are several large, white, abstract, flowing shapes that resemble stylized waves or ribbons. A dark blue horizontal band is positioned across the middle of the cover, containing the title in white serif font. To the right of the title, a white graphic element resembling a stylized female symbol or a knot is visible. Another dark blue horizontal band is located at the bottom right, containing the author's name and edition information in white sans-serif font.

# Fundamentos de Obstetricia y Ginecología

Dr. Andrés CALLE M.  
(AUTOR - EDITOR)

Primera Edición  
Abril, 2010
